2,914 square ft.

4 or 5 bedrooms + bonus

3.5 bathrooms

3-car garage

The Connally II floor plan is the perfect choice if you're looking for a two-story home. Ideal for larger households, this design features a four-bedroom, three-and-a-half-bath layout with sweeping archways and recessed ceilings across 2,923 square feet. All bedrooms are located on the main floor, with an upstairs bonus room that's perfect for movie nights, a guest suite, a workout area, or a craft room. The kitchen includes stainless steel appliances and a large walk-in pantry with ample storage. The primary suite offers dual vanity sinks, its own enclosed toilet space, and a spacious walk-in closet. Plan variations include the option for a fifth bedroom, dining room, or study off the entryway, as well as a walk-in shower or separate tub and shower in the primary bath, separate vanities, and a fireplace in the living room. This plan also includes a three-car garage.
