2,383 square ft.

4 bedrooms

3 bathrooms

3-car garage

The Connally floor plan is ideal for larger families and features a four-bedroom, three-bathroom layout with sweeping archways and recessed ceilings spread across 2,383 square feet. Private rooms and baths are tucked away for privacy, and the flex room provides a variety of possibilities for families needing extra space to relax or be creative. The kitchen includes stainless steel appliances and a huge walk-in pantry with ample storage space, while the master suite has dual vanity sinks, a private water closet, and a spacious master closet. This plan also has a three-car garage. Plan variations include the choice of a fifth bedroom, dining room, or study off the entryway, a walk-in shower or separate tub and shower in the master bath, separate vanities in the master bath, and a fireplace in the living room.
