

THE MONTGOMERY • 1686

1,700 square ft.

4 bedrooms

2 bathrooms

2-car garage

The Montgomery offers a four-bedroom, two-bath layout across 1,700 square feet with an open-concept family room, dining area, and kitchen. The secondary bath provides convenient access with two entry points from either the bedroom hallway or the main living area. The kitchen includes stainless steel appliances and a large island that adds extra seating, counter space, and cabinet storage. The primary suite features dual vanity sinks, its own enclosed toilet space, and a walk-in closet. Plan variations include a shower-only option or a shower-and-tub combo in the primary bath, sliding pocket doors at the toilet space, and a study in place of the fourth bedroom. This plan also includes a two-car garage.
