The Campbell is one of our newer floor plans, featured only in our Enclave series in the latest phase of our Grove at Lakewood Ranch community. This plan features four bedrooms and two-and-a-half bathrooms across 2,590 square feet of living space, with the study or dining off the entryway. The living room includes a fireplace, and the large windows that look out to the extended covered porch provide plenty of natural light. The kitchen has stainless steel appliances and plenty of cabinet space, while the center island opens to the family room, perfect for entertaining. The primary bedroom features a nook with bay windows overlooking the backyard, and the primary suite has dual vanity sinks with a walk-in shower, a free-standing tub, a private water closet, and spacious walk-in closets. Plan variations include a study or a formal dining room and an exterior fireplace option.
