

THE LONGHORN • OAK2

1,320 square ft.

3 bedrooms

2 bathrooms

2-car garage

The Longhorn floor plan is one of our most popular designs. Offering three bedrooms and two bathrooms across 1,320 square feet, it features an open-concept family room, dining area, and kitchen that creates an inviting space for everyday living. The kitchen includes stainless steel appliances, a large island, and a pantry for convenient storage. The primary suite features dual vanity sinks and a spacious walk-in closet. This plan also includes a two-car garage.
