The Rio Grande II is a spacious three-bedroom, two-bathroom floor plan spread across 1,958 square feet and is one of our most popular choices! The Rio Grande II is stylish, functional, and perfect as a starter or forever home. The kitchen includes stainless steel appliances with a large island and a double-door pantry for tons of storage, while the primary bath has dual vanity sinks, a private water closet, a spacious walk-in closet, and a luxurious walk-in shower with seating. This plan has a two-car side entry garage. Plan variations include a walk-in shower or a separate garden tub in the primary bath, a study in place of the dining room off the entryway, and an outdoor fireplace on the covered porch.
