**2,312 square ft.**

**4 bedrooms**

**2.5 bathrooms**

**2-car garage**

The Sabine plan is a great option if you're looking for a two-story home. This design features a four-bedroom, two-and-a-half-bath layout across 2,312 square feet, with all secondary bedrooms located on the second floor. The open-concept family room, kitchen, and dining area create a bright and inviting space for everyday living. The kitchen includes stainless steel appliances, a large island, and a walk-in pantry. The primary suite offers dual vanity sinks, its own enclosed toilet space, and a spacious walk-in closet. All secondary bedrooms upstairs feature expansive walk-in closets, making this plan a great fit for larger households. Plan variations include a dining room or study off the entryway, a walk-in shower or separate tub and shower in the primary bath, and an outdoor fireplace. This plan also includes a two-car garage.
