

# THE SAN MARCOS • 1890

**1,920 square ft.**

**4 bedrooms**

**2 bathrooms**

**2-car garage**

The San Marcos is a spacious four-bedroom, two-bath floor plan spread across 1,920 square feet, with the fourth bedroom conveniently located off the entryway. This design features an open-concept family room, dining area, and kitchen for effortless everyday living. The kitchen includes stainless steel appliances, a large island, and a pantry for ample storage. The primary suite offers dual vanity sinks, its own enclosed toilet space, and a generous walk-in closet. Plan variations include a walk-in shower, separate garden tub, or a shower-and-tub combo in the primary bath. This plan also includes a two-car garage.
