**2,255 square ft.**

**4 bedrooms**

**2 bathrooms**

**2-car garage**

The Colorado is an excellent choice for young professionals, families, or those looking to downsize. This spacious design offers high ceilings and flexible living areas across a four-bedroom, two-bath layout with 2,255 square feet. The kitchen features stainless steel appliances and a large walk-in pantry with ample storage. The primary suite includes dual vanity sinks, its own enclosed toilet space, and a generous walk-in closet. Unwind with a relaxing soak in the garden tub or enjoy the steamy comfort of the frameless glass-enclosed shower. Plan variations include a study in place of the fourth bedroom, a fireplace at the covered porch, or a corner fireplace at the covered patio. This plan also includes a two-car garage.
