

THE SABINE • 2177

2,312 square ft.

4 bedrooms

2.5 bathrooms

2-car garage

Check out the Sabine plan if you're looking for a two-story home. All secondary bedrooms in this plan are on the second story. The Sabine features a four-bedroom, two-and-a-half-bathroom layout across 2,312 square feet. This plan features an open-concept family room, kitchen, and dining area. The kitchen includes stainless steel appliances with a large island and walk-in pantry, while the primary suite has a private water closet, dual vanity sinks, and a spacious closet. All bedrooms on the second story have expansive walk-in closets, perfect for large families. This plan also has a two-car garage. Plan variations include the choice of a dining room or study off the entryway, a walk-in shower or separate tub and shower in the primary bath, and an outdoor fireplace.
